John,

1 The Walled Garden 17 Alness Road Manchester M16 8SP - 142441/TCA/2025

The applicant has proposed to carry out the following pruning works:

Works to tree - Cedar. Reduce in height by approx. 1.5m shape and tidy the sides.

I can confirm that we would have no objection to the proposed pruning works. Given the current location, the tree has limited growing potential and therefore managing the size of the crown from a younger age, will give the tree a better chance to acclimatise to the pruning works.

Kind regards
