Comment Reasons:

Comment: No active travel information and closure of cycle infrastructure after being told 3 years ago Walking and wheeling would be shared in perpetuity LIES AND MISINFORMATION BY MMU STAFF

This is detailed within condition number 25 attached at the planning decision The details show the retention of the cycle path through shared pedestrian and cycle space

So in 2023 MMU will keep cycle and pedestrian access in perpetuity until they change their minds More LIES from the Mealy Mouthed University Active Travel Commissioner Works for MMU so they bought their way out of any active travel support conflict of interest or corruption
