Hi Jen

Thanks for sending this consultation for Sister plot c over to work & skills, I see they have included a letter of intent which is fine to discharge the local labour against. once a contractor has been appointed could we have a local labour Shadual in a KPI format, I've added our suggested sheet along with the usual guidance document.

Could you please ensure there is a Local Labour condition for construction and end use applied, as always happy to support the contractor once they have been appointed.

Kind Regards
