Hi John,

22 St Clements Road Manchester M21 9HU - 142772/TCA/2025

The applicant has proposed to carry out the following pruning works:

T1 and T2, elder trees rear garden, prune back overhanging branches from neighbour's side on T1 and reduce height by 2 metres and shape crown.

T2 is much smaller, prune back branches from customers side heading towards the house shape crown.

The trees are in the rear side boundary of the property with limited visual amenity value and therefore we would have objection to the proposed works.

Kind regards
