Comment Reasons:

Comment: This is such an important part of the city both culturally and architecturally and should not be butchered for fast commerce. Work with what is already there and change its use whilst keeping its historical integrity. Have eyes not cash registers!

The Hollaway wall is a work of art and should not be reimaged. One wouldn't cut the Mona Lisa down to fit a new frame size. This is short sighted and shows no respect for the city's history.
