Non-Material Amendment(s) Sought

Please describe the non-material amendment(s) you are seeking to make

Please state why you wish to make this amendment

I would like to make this amendment because it will be more in keeping with the current make -up of the area (all houses have the same porch and size). It will look ecstasically more pleasing on the eye, it will also be more cost effective as the foundations to the front of the house will not be required to be dug up. Based on the current drawings I would have to knock down the existing porch and rebuild a larger one. The amendment keeps it where it.

Are you intending to substitute amended plans or drawings?

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff**
(b) an elected member
(c) related to a member of staff
(d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

- ☐ Yes
☒ No
