Lea,

Application number: 142635/FO/2025

Proposal: Provision of four up lights to Mosley Street entrance (two high level) and two to York Street entrance.

Location: 38 Mosley Street, Manchester, M2 3AZ

Metrolink have no objection to this application and whilst the development proposals are unlikely to affect Metrolink operations the site does adjoin the highway on which Metrolink operates and therefore in relation to the installation of the equipment, particularly the higher level wiring, we would like the applicant to be advised that the details of working safely near Metrolink can be found on the Metrolink Website at:- [Working safely near Metrolink](#) | [Bee Network](#) | [Powered by TfGM](#)

Regards

Lynda
