Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: The proposed towers of 33 & 47 storeys are grossly disproportionate in size and their drab contemporary look is juxtaposed to Ancoats' historical neighbourhood character.

758 new apartments means hundreds of additional cars in our immediate area clogging up already congested parking in the area leading to illegal parking, more accidents and more delivery vehicles raising safety issues. The plan does not cater for disabled parking or access which seems inconsistent with council policy. The scale of this development will also dramatically increase traffic and noise.

In summary, the proposed plan will devastate the neighbourhood. The buildings are too tall, too dense, out of character in Ancoats, and will deny light and jam up our streets. Please show empathy and require these plans to be scaled down significantly.
