Hi [REDACTED]

Conscious it would have to read as a comment from Licensing & Out of Hours, I wouldn't want to risk upsetting the Neighbourhoods team!

Licensing & Out of Hours have carried out a number of visits to the premises following receipt of complaints and also through proactive monitoring. Licensing & Out of Hours have not witnessed any noise that has been deemed a statutory noise nuisance under the Environmental Protection Act 1990 and Officers have commented that the premises are well resourced and actively manage the dispersal of patrons.

Does that help or do you want me to elaborate?

Thanks
