Part 1 – Particulars of the application/development

Proposal: Change of use from House (Class C3) to House in Mutliple Occupation (Class C4)

Location: 21 Crondall Street, Manchester, M14 4UB

Date of application: 17 January 2025

Application number: 140656/FO/2024

Part 2 – Particulars of decision

Manchester City Council gives notice that the development referred to in Part 1 has been **Refused** in accordance with the application and plans submitted for the reason(s) listed below.

Article 35 Declaration

The application has been determined within the statutory timescale. In this instance the principle of the application proposals is contrary to the adopted development plan and would not improve the social or environmental conditions of the area. It is not considered, in this instance, that amendments could be made that would make the development acceptable. The applicant's agent was informed of these concerns prior to the determination of the application

Reason(s) for decision

1) The proposed development and its operation as a house in multiple occupation (HMO (Class C4)) would result in the overly intensive use and potentially transient occupation of the application property. It would also result in a consequential increase in the levels of activity, noise and disturbance and potentially generate additional traffic and demand for on-street car parking. The proposed use as an HMO would have a detrimental impact upon the amenity of neighbouring residents, character of the area and the delivery of a sustainable community, which would be contrary to policies DM1, H11, SP1 and T1 of the Core Strategy for the City of Manchester, and policies JP-P6

and JP-S1 contained within Sustainable Development Joint Development Plan Document - Places for Everyone and the guidance with the National Planning Policy Framework.

2) The proposed development would result in the loss of quality residential accommodation, which would reduce the supply and availability of family housing within the local area. The development would thereby fail to positively respond to an identified housing need and thereby undermine the formation of cohesive and sustainable neighbourhoods where people would choose to live. The development would thereby be contrary to policies DM1, H1, H6 and SP1 of the Core Strategy for the City of Manchester, policies JP-P6 and JP-S1 contained within Sustainable Development Joint Development Plan Document - Places for Everyone and the guidance with the National Planning Policy Framework.

In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase their interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990
