Comment Reasons:

Comment:I fully support the extended opening times of SMP. It is a great addition to Withington and has brought with it a lovely community feel to the area. The extended hours would cause no harm to the local area and instead would create a great space for consumers to visit in the evenings. It would be such a huge loss to the area if this application was rejected and could result in the loss of SMP to the area.

Supporting this application and having businesses like SMP in Withington is hugely positive in attracting other great businesses to the area and would improve the area massively which is currently full of derelict spaces covered in graffiti.
