Comment: To whom it may concern,

I am writing to express my strong support for SMT's application to extend their licence hours into the evening. SMT has been a valuable part of our community, providing a welcoming space for residents to gather, relax, and enjoy high-quality coffee and refreshments.

Extending their operating hours will not only benefit local residents by offering a safe and comfortable environment for evening socializing but also contribute positively to the local economy. SMT's commitment to excellent service and community engagement makes them an ideal candidate for this extension.

I believe that allowing SMT to operate into the evening will enhance the vibrancy of our community and provide additional opportunities for social interaction and local business growth.

Sincerely,
