Commenter Type: Member of the Public

Stance: Customer made comments neither objecting to or supporting the Planning Application

Comment Reasons:

Comment: The cricket club building should be demolished too , as it's already causing problems with traffic and parking since been used as a mosque/community centre. So when housing is built even more traffic etc.

Plus have been issues with neighbouring shops and local people, so quite detrimental to the area. The existing flats should be demolished as a real eyesore and out of character with neighbouring buildings.

The electric advertising board should be removed as again an unattractive feature.

For the new housing site to look good all the land should be cleared and therefore the whole area will look more appealing.
