Comment Reasons:

Comment:I would like to put forth my strong and wholehearted support towards the extension of the late nice premises licence in question here.

Not only is Something More Productive driving more people to what is arguably a dying high street in Withington, it is has been a community hub and safe haven for people of all stripes in Withington and beyond.

On top of this, the cafe is deeply unproblematic. It has never once received noise complaints from neighbours or those in the vicinity and would proactively work to maintain respectful noise levels should the licence be extended. This is simply not a NIMBY issue.

I hope you take the time to consider mine and many others comments and grant the extension that the area desperately needs.
