Comment Details

Commenter Type: Member of Parliament

Stance: Customer made comments in support of the Planning Application

Comment Reasons:

Comment: Dear Manchester City Council Planning Department,

As the Member of Parliament for Manchester Withington, I am writing to express my support for the planning application 141642/JO/2024-9, submitted by Something More Productive.

Since Something More Productive opened in October 2023, it has become a valued part of our community in Withington. The café's owner, Theo, has demonstrated a commendable commitment to operating responsibly while contributing positively to the local area.

I understand that Theo has actively engaged with residents and community groups to reach agreements on the proposed operating hours. He has also worked closely with the council's planning and licensing departments throughout this process. He has been supported in this process by Councillor Chambers since Summer 2024, who has highlighted his desire to work with the Council to reach a positive solution.

As the local MP I have not received any complaints or concerns from residents regarding noise disturbance, waste management, or operating hours in relation to this premises. I have heard from many constituents who appreciate SMP's service and hope to see it continue to thrive.

I support this application and urge the Committee to approve it.

Yours sincerely,

Jeff Smith MP
