Commenter Type: Member of the Public

Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: This is over development, we have just had a large development approved just yards away. The previous development and this proposal will lead to a massive increase in traffic on already congested roads. There is no mention of extra School places or extra health centres in our already over subscribed facilities. I thought this land has a convenient on it not allowing it to be used for anything other than Sport?
