Condition No 12: Boundaries		Date	Action By
12.1	Prior to the first occupation of the development the Boundary Treatment shall be implemented in accordance with the approved plans 'Drawing- Proposed- Boundary Treatment, numbered 107A, stamped as received by the City Council as Local Planning Authority on 8 February 2023. The approved details shall be retained in accordance with the details and maintained in situ thereafter.		

Condition No 13: Landscaping		Date	Action By
13.1	Prior to occupation, the hard and soft landscaping scheme submitted and approved ref: 7098.02 stamped as received 8 February 2023 shall be implemented not later than 12 months from the date the buildings are first occupied. If within a period of 5 years from the date of the planting of any tree or shrub, that tree or shrub or any tree or shrub planted in replacement for it, is removed, uprooted or destroyed or dies, or becomes, in the opinion of the local planning authority, seriously damaged or defective, another tree or shrub of the same species and size as that originally planted shall be planted at the same place.		

Condition No 14: Cycle Storage		Date	Action By
14.1	Prior to first use, details of the specifications, elevations, siting and appearance of the secured cycle storage shall be submitted to and approved in writing by the City Council as local planning authority. The agreed details shall be fully implemented prior to the first use of development, retained and maintained thereafter.		
14.2	Information submitted under Application 139774/JO/2024. - 3810_bike shed	19.03.25	BTP

Condition No 15: Biodiversity		Date	Action By
15.1	Before the occupation of the authorised dwellinghouses, a scheme to encourage biodiversity within the application site shall be submitted to and approved in writing by the City Council as local planning authority, including the provision measures to encourage habitats for native species and bird and, if appropriate, bat species. The development shall be implemented in accordance with approved scheme prior to the occupation of the authorised properties and shall be maintained in situ thereafter.		
15.2	Information submitted under Application 139774/JO/2024. - 81-132-002 Rev 2 Biodiversity Enhancement Plan - Varey Street Manchester	19.03.25	BTP

Condition No 16: Tree Works		Date	Action By
16.1	All tree work should be carried out by a competent contractor in accordance with British Standard BS 3998 "Recommendations for Tree Work".		

Condition No 17: Tree Retention		Date	Action By
17.1	<p>In this condition "retained tree" means an existing tree, shrub or hedge which is to be as shown as retained on the approved plans and particulars; and paragraphs (a) and (b) below shall have effect until the expiration of 5 years from the date of the occupation of the building for its permitted use.</p> <p>(a) No retained tree shall be cut down, uprooted or destroyed, nor shall any retained tree be topped or lopped other than in accordance with the approved plans and particulars, without the written approval of the local planning authority. Any topping or lopping approved shall be carried out in accordance with British Standard 5387 (Trees in relation to construction)</p> <p>(b) If any retained tree is removed, uprooted or destroyed or dies, another tree shall be planted at the same place and that tree shall be of such size and species, and shall be planted at such time, as may be specified in writing by the local planning authority.</p> <p>(c) The erection of fencing for the protection of any retained tree shall be undertaken in accordance with the approved plans and particulars before any equipment, machinery or materials are brought on to the site for the purposes of the development, and shall be maintained until all equipment, machinery and surplus materials have been removed from the site. Nothing shall be stored or placed in any area fenced in accordance with this condition and the ground levels within those areas shall not be altered, nor shall any excavation be made, without the written consent of the local planning authority.</p>		

Condition No 18: Vegetation Clearance		Date	Action By
18.1	No vegetation clearance shall take place during the optimum period for bird nesting (March- September inclusive) unless nesting birds have been shown to be absent, or, a method statement for the demolition including for the protection of any nesting birds is agreed in writing by the City Council, Local Planning Authority. Any method statement shall then be implemented for the duration of the demolition works.		

Condition No 19: Secure By Design		Date	Action By
19.1	<p>Prior to occupation, details of the measures to be incorporated into the development (or phase thereof) to demonstrate how secure by design accreditation will be achieved have been submitted to and approved in writing by the City Council as local planning authority. The development shall only be carried out in accordance with these approved details at all times thereafter.</p> <p>The development hereby approved shall not be occupied or used until the Council as local planning authority has acknowledged in writing that it has received written confirmation of a secured by design accreditation.</p>		
19.2	<p>Information submitted under Application 139774/JO/2024.</p> <p>- 2023 0090 Varey Street SBD</p>	19.03.25	BTP

Condition No 20: Affordable Housing Statement		Date	Action By
20.1	<p>Upon first the occupation of the authorised houses, the development shall be fully implemented in accordance with the following document 'Supporting Information-Affordable Housing Statement', stamped as received by the City Council as Local Planning Authority on 8 Feb 2023, which confirms the provision of a total of 5 residential units for Social Rent in relation to the Cross Lane / Vary Street site.</p> <p>The approved details shall be retained in accordance with the requirements of the statement at all times thereafter.</p>		
20.2	Clarification sought regarding wording of condition.	01.11.23	BTP
20.3	As long as it is implemented as per the Affordable Housing Statement, the typo in condition 20 to say social instead of affordable would not over ride it.	01.11.23	BTP

Condition No 21: Permitted Development Rights		Date	Action By
21.1	Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) Order 2015 (or any order revoking and re-enacting that Order with or without modification) no garages, extensions, additional fenestration, roof alterations, porches or outbuildings shall be erected other than those expressly authorised by this permission.		

Condition No 22: Use Class		Date	Action By
22.1	Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) Order 2015 (or any order revoking and re-enacting that Order with or without modification) no part of the residential units shall be used for any other purpose (including any other purpose in Class C3 of the Schedule to the Town and Country Planning (Use Classes) Order 1987 as amended by The Town and Country Planning (Use Classes) (Amendment) (England) Order 2015, or in any provision equivalent to that Class in any statutory instrument revoking and re-enacting that Order with or without modification) other than the purpose(s) of C3(a) not precluding occupation by two unrelated people sharing a property.		

Condition No 23: Use Class		Date	Action By
23.1	Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) Order 2015 as amended by The Town and Country Planning (General Permitted Development) (Amendment) (England) Order 2010 (or any order revoking and re-enacting that Order with or without modification) the dwelling houses hereby approved shall be used only as private dwellings (which description shall not include serviced apartments/apart hotels or similar uses where sleeping accommodation (with or without other services) is provided by way of trade for money or money's worth and occupied by the same person for less than ninety consecutive nights) and for no other purpose (including any other purpose in Class C3(a) of the Schedule to the Town and Country Planning (Use Classes) Order 1987 as amended by The Town and Country Planning (Use Classes) (Amendment) (England) Order 2010, or in any provision equivalent to that Class in any statutory instrument revoking and re-enacting that Order with or without modification) other than the purpose(s) of C3(a).		

Condition No 24: External Plant		Date	Action By
24.1	<p>a) Externally mounted ancillary plant, equipment and servicing shall be selected and/or acoustically treated in accordance with a scheme designed so as to achieve a rating level of 5dB (LAeq) below the typical background (LA90) level at the nearest noise sensitive location. Prior to commencement of the use hereby approved the scheme shall be submitted to and approved in writing by the City Council as local planning authority in order to secure a reduction in the level of noise emanating from the site. The scheme shall be implemented in full before the use commences or as otherwise agreed in writing by the City Council as local planning authority.</p> <p>b) Prior to the operation of the scheme a verification report shall be submitted to and approved in writing by the City Council as local planning authority to validate that the work undertaken throughout the development conforms to the recommendations and requirements in the approved acoustic report. The report shall also undertake post completion testing to confirm that the noise criteria have been met. Any instances of nonconformity with the recommendations in the report shall be detailed along with any measures required to ensure compliance with the agreed noise criteria.</p>		

Condition No 25: Obscure Glazing		Date	Action By
25.1	Before first occupation the windows in the first floor to the rear (northern) elevation shall be obscure glazed to a specification of no less than level 5 of the Pilkington Glass Scale or such other alternative equivalent and shall remain so in perpetuity.
