Comment Reasons:

Comment: SMP is already a much needed and celebrated cornerstone of the Withington community. It provides a relaxed and welcoming environment throughout the morning and afternoon, and their evening trade is no different. They have breathed fresh life into this small part of South Manchester and have demonstrated their willingness to work with the community to ensure a safe space for local residents and general public to meet and catch up in somewhere other than the traditional public house setting.

I fully support and endorse SMP and all that they do, and I wish them all the success in their future trade.
