Dear Lucy

OGS (138820/JO/2023)

Please find enclosed a Condition Discharge application, submitted by Manchester Quays Developments (OGS) Limited, for Full Discharge of Conditions 12, 34 and 36 for Planning Permission Reference 138820/JO/2023, relating to the Old Granada Studios ('OGS') development in Manchester City Centre.

Background

The Site benefits from extant planning permission granted on 16 November 2020 for the part refurbishment and part redevelopment of Old Granada Studios in St John's, Manchester (Ref: 127612/FO/2020). The description of development as on the decision notice is as follows:

"Part redevelopment and part refurbishment including the conversion of the existing Granada House building into a 175 bed hotel (Use Class C1) with associated private members club (Sui Generis); and erection of new single storey rooftop bar and restaurant (Use Classes A3 and A4); external terrace and rooftop pool in addition to the erection of a new ten storey building for office (Use Class B1) and ground floor retail or workspaces (Use Class A1/A3 and/or B1); retention of Studios for current use as filming studios (Use Class B1) and erection of modular workspaces (Use Class B1) with associated access and servicing arrangements; public realm and other associated works"

The operative permission was amended most recently via 138820/JO/2023, which was approved on 7th May 2024 and sought approval for amendments to the scheme to include a gym and alter the hotel rooms. This permission includes the following description of development:
