

All dimensions to be checked on site prior to the commencement of works.

Any drains passing under building to be exposed & encased in 150mm conc.

A minimalist line drawing of a house. The house features a gabled roof with a chimney on the right side. The chimney has two small decorative elements on top. The front facade has a large window on the left, a smaller window in the center, and a larger window on the right. To the left of the main house, there is a smaller structure with a flat roof and a single window. To the right, another structure is partially visible, showing a window with multiple panes. The drawing is composed of simple black outlines on a white background.

A line drawing of a house. The house has a chimney on the roof. The front of the house features a large, open porch area. On the left side of the porch, there is a vertical structure with multiple windows. On the right side, there is a smaller vertical structure with a window. The roof is a simple gable shape. The drawing is composed of black outlines on a white background.

A line drawing of a two-story house. The house has a gabled roof with a chimney on the right side. On the ground floor, there is a large arched window on the left and a large multi-paned window on the right. On the second floor, there is a smaller window on the left and another large multi-paned window on the right. The drawing is simple, using only black outlines on a white background.

A line drawing of a house. The house has a chimney on the left side. The roof is gabled. There is a dormer window on the right side of the roof. The house has several windows: a row of six small windows on the upper floor, a large window on the ground floor, and a small window in the dormer. The drawing is simple, using only black lines on a white background.
