Comment Reasons:

Comment: Something more productive is a great addition to the Withington community, there are no other cafes similar in the area. This business is not for Theo but for the community and is great for the local economy. I am [REDACTED] and the opportunity to play jazz in front off a small intimate space has been been great for boosting my confidence and improving our skills as a quartet. I love coming back from university to play gigs at SMP where I am so welcomed and encouraged. We always finish on time and have never had any complaints. Theo also puts other great variety of events such as quiz nights, food events and is starting a run club, losing SMP would be detrimental to the community and me and the bands musical careers. Theo is one of the nicest guys i know.
