- 4 Handover:**
- 4.1 The Hire Products and Installation Services will be deemed to be accepted and Handover will be deemed to have occurred:

- 4.1.2 if the Hire Products are modular buildings (comprising of individual modules assembled into buildings) subject to Condition 4.1.3, on the earlier of the Hire Products being made available by Portakabin for occupation or signature by the Hirer of the Practical Completion Certificate; and
- 4.1.3 if any Defects and/or incorrect provision of the Installation Services reported in accordance with Condition 5.1 mean that the Hire Products are unfit for beneficial occupation by the Hirer, when such Defects and/or incorrect provision of the Installation Services have been remedied, (but for the avoidance of doubt, Handover will not be prevented from occurring as a result of snagging or other items which do not mean that the Hire Products are unfit for occupation by the Hirer (as determined by Portakabin)).
- 4.2 Portakabin will not be liable for any delay in Handover caused by: (i) any changes requested by the Hirer to the terms of the Hire Contract (including changes to the Hire Site, the Specification, or the project timescales (whether or not recorded as a Variation); (ii) any Hirer Default; (iii) the acts or omissions of utilities suppliers, local government authorities or other third parties; (iv) the existence of any adverse physical conditions (including sub-surface conditions) or artificial obstructions affecting the Hire Site; (v) any Force Majeure Event (including road closures or any non-availability of suitable delivery escort providers, or where the Hire Products cannot be delivered or craned onto the Hire Site as a result of adverse weather); (vi) as a result of any failure to obtain any consents, permissions or approvals; or (vii) as a result of Portakabin suspending its obligations under the Hire Contract pursuant to Conditions 6.1.1, 7.7.1, 8.8 or 17.1, and the Start of the Minimum Hire Period will be extended accordingly.
- 4.3 If Handover does not occur on or before the Start of the Minimum Hire Period the Hirer will, as its sole and exclusive remedy and subject to Conditions 3.1.1.3.1, 3.2, 4.2, 4.4, 4.5, be entitled to one week's free hire of the Hire Products for each complete Business Day after the Start of the Minimum Hire Period until Handover occurs, up to a maximum of four (4) Business Days (and for these purposes "free hire" means that the Hire Charges will not be payable in respect of the free hire period). Portakabin and the Hirer agree that the remedy set out in this Condition 4.3 is fair and reasonable in all the circumstances and represent a genuine pre-estimate of the likely losses that the Hirer is likely to suffer as a result of the delay to the date Handover takes place, will not impose a detriment on Portakabin which is disproportionate to the legitimate interests of the Hirer and are without prejudice to the obligations of Portakabin under the Contract if it is reasonably able to do so.
- 4.4 The remedy set out in Condition 4.3 is only available to the Hirer if: (i) the Minimum Hire Period exceeds five (5) weeks; (ii) the Hirer has returned a signed copy of the Hire Contract Front Sheet to

- 4.5 The Hirer understands and accepts that: (i) Portakabin may, at any time and at its sole option, withdraw or amend the terms of the free hire offer set out in Condition 4.3; and (ii) any claim made by the Hirer pursuant to Condition 4.4 will represent the Hirer's sole and exclusive remedy in respect of delayed Handover, and the Hirer hereby agrees to waive any other claim it may have in respect of delayed Handover.
- 5 Defects and Maintenance:**
- 5.1 The Hirer will promptly notify Portakabin in writing of any Defects and/or incorrect provision of the Installation Services and/or repairs required to the Hire Products.

In such event, the Hirer will, at the request of Portakabin, provide all information, layouts, drawings and facilities requested by Portakabin in order for the repair or replacement to be completed.
- 5.3 If the Defect or repair requirement is, in the reasonable opinion of Portakabin, due to fair wear and tear, Portakabin will carry out the repair without charge to the Hirer.
- 5.4 Portakabin will not be liable for any Defects and/or incorrect provision of the Installation Services and/or repairs, if, in the reasonable opinion of Portakabin:

- 5.4.2 it arises as a result of Portakabin following any instructions, requirements, drawings or designs supplied by the Hirer;
- 5.4.3 it arises as a result of Hirer Default, any act or omissions of any third party, or the Hirer's or any third party's wilful damage or negligence;
- 5.4.4 the Hirer fails to promptly inform Portakabin of any Defects and/or incorrect provision of the Installation Services and/or items requiring repair and/or the Hirer continues to use the affected Hire Products, so that such item(s) deteriorate (including in circumstances where a repair is no longer of normal wear and tear);
- 5.4.5 the Hirer (or a third party) alters or repairs the affected Hire Products, in which case, Portakabin will charge the Hirer with the costs of repair or replacement, (subject to the application of the Damage Waiver, if applicable), including any Removal Charges or Installation Charges if the Hire Products have to be removed from the Hire Site for repair (and, for the avoidance of doubt, the Contract Charges will continue to be payable throughout the period during which the Hire Products have been taken for repair).
- 5.5 The Hirer's sole and exclusive remedy (to the fullest extent permitted by law) in relation to Defects or the incorrect provision of the Installation Services or in respect of the repair or replacement of Hire Products will be as set out in Condition 5.2, and these Terms and Conditions of Hire will automatically apply to any re-performed Installation Services and/or any repaired or replacement Hire Products supplied by Portakabin.
- 5.6 Subject to Condition 5.1, the Hirer will keep the Hire Products clean, maintained and secured at all times during the Hire Period in accordance with Good Industry Practice.
- 5.7 The Hirer will secure any Hire Products that are broken into or vandalised as soon as reasonably practicable, but will otherwise not itself repair, or engage a third party to repair, the Hire Products.

- 5.11 The Hire Products will be left secure, clean and tidy at the end of the Hire Period, and the Hirer will remove all of the Hirer's fixtures and fittings. The Hirer will also return all keys for the Hire Products.
- 5.12 The Hire Contract Front Sheet will confirm if the Hirer has obtained an optional Damage Waiver ("DW") from Portakabin. The DW will apply to charges for cleaning, repairing or replacing damaged standard fixtures and fittings supplied by Portakabin, during the Hire Period and/or upon completion of the Hire Period, subject to the following restrictions:
- 5.12.1 DW will, unless otherwise agreed, apply only to standard fixtures and fittings supplied by Portakabin (additional fees will be applied if the cover is extended to any non-standard fixtures and fittings);

- 6.1.1 Portakabin will, without limiting its other rights or remedies have the right to suspend performance of its obligations until the Hirer remedies the Hirer Default (and the time for the performance of the obligations of Portakabin under the Hire Contract will be extended by a period which reflects the impact of the delay caused by the Hirer Default);
- 6.1.2 Portakabin will not be liable for any costs or losses sustained or incurred by the Hirer arising directly or indirectly from a failure or delay by Portakabin to perform any of its obligations and/or from the Hirer Default; and
- 6.1.3 the Hirer will reimburse Portakabin on written demand for any costs or losses sustained or incurred by Portakabin arising directly or indirectly from the Hirer Default.
- 7 Charges and Payment:**
- 7.1 The Hire Charges will be payable from Handover and will be invoiced in advance on a periodic basis as confirmed on the Hire Contract Front Sheet.
