Comment Reasons:

Comment:I'm writing to express my support to this application. Since opening it has been a great addition to Withington offer. There is no other place like that in the neighbourhood and it's a great alternative to rather loud pubs or other establishments in the area when you want to have a drink with your partner over the weekend and don't fancy going to town or anywhere far. It will be a huge loss for the local community if it didn't get the planning approval as it would most probably mean not only loosing a place for a drink in the evening, but also loosing an independent cosy café when people come to work and meet with friends.
