Comment Reasons:

Comment:I would strongly and fully support the modest extension of opening hours for Something More Productive in Withington. They have worked constructively with local members, and groups such as Withington Civic Society to agree suitable hours. They are a well run, and well managed local venue, cafe and premises in Withington Village and contribute to our local economy and offer on the high street. These extended opening hours will support further jobs being retained in the hospitality sector at this venue. They have already been granted these hours with MCC licensing so are now doing the right thing to ensure their planning condition and opening hours are aligned too. I would fully support this application.
