## Important – Planning permission & notices of consent

## Compliance with conditions

- Your planning approval or consent is attached. It will contain conditions that you must comply with.
- Please read the conditions and understand their requirements and restrictions, for example submission and approval of details or measures to protect trees.
- Some conditions will require action before you start development and it is imperative that you seek to have these discharged before any work commences.
- Whilst every effort has been made to group conditions logically, it is your responsibility to ensure that you are aware of the requirements and/or restrictions of all conditions.
- If you fail to comply with the conditions this may result in a breach of planning control and this may lead to enforcement action.
- Failure to comply with conditions may also result in the development not being lawful.
- It is in your interests to demonstrate that conditions have been complied with. Failure to do so may cause difficulties if the property is sold or transferred.
- A fee is payable for each request to discharge conditions.
- For advice on any of these matters, please contact Planning, Manchester City Council, PO Box 532, Town Hall, Manchester M60 2LA or email planning@manchester.gov.uk

## Part 1 – Particulars of the application/development

**Proposal**: Erection of a three storey detached dwellinghouse (four bed) with associated car parking and landscaping.

**Location**: Land Off Essex Avenue To The Rear Of 21 Cranmer Road, Manchester

**Date of application**: 12 November 2024

**Application number**: 141471/FO/2024

## Part 2 – Particulars of decision

Manchester City Council gives notice that the development referred to in Part 1 has been **Approved** in accordance with the application and plans submitted subject to the condition(s) listed below (if any).

## Article 35 Declaration

Officers have worked with the applicant in a positive and proactive manner to resolve any problems arising in relation to dealing with the planning application.

## Condition(s) attached to this decision

1) The development must be begun not later than the expiration of three years beginning with the date of this permission.

Reason - Required to be imposed pursuant to Section 91 of the Town and Country Planning Act 1990.

2) The development hereby approved shall be carried out in accordance with the following drawings and documents:

a) Topographical Survey, received on 19 December 2024.
b) Location Plan, no. 24-66-02, received on 8 November 2024.
c) Proposed Site Plan, no. 24-66-03a, received on 10 February 2025.

d) Proposed Plans, Elevations and Street Scene, no. 24-66-01a, received on 19 December 2024.
e) Landscape Drawing, no. 476 01, received on 7 March 2025.
f) Design and Access Statement, received on 8 November 2024.
g) Arboricultural Method Statement, received on 7 March 2025.
h) Tree Survey, received on 7 March 2025.

Reason - To ensure that the development is carried out in accordance with the approved plans. Pursuant to policies SP1 and DM1 of the Manchester Core Strategy.

3) No above ground works shall commence unless and until samples and specifications of all materials to be used on all external elevations of the development have been submitted to and approved in writing by the City Council as local planning authority.

Reason - To ensure that the appearance of the development is acceptable to the City Council as local planning authority in the interests of the visual amenity of the area within which the site is located, as specified in policies SP1 and DM1 of the Manchester Core Strategy.

4) Before the development hereby approved commences, a report (the Preliminary Risk Assessment) to identify and evaluate all potential sources and impacts of any ground contamination, groundwater contamination and/or ground gas relevant to the site shall be submitted to and approved in writing by the City Council as local planning authority. The Preliminary Risk Assessment shall conform to City Council's current guidance document (Planning Guidance in Relation to Ground Contamination).

In the event of the Preliminary Risk Assessment identifying risks which in the written opinion of the Local Planning Authority require further investigation, the development shall not commence until a scheme for the investigation of the site and the identification of remediation measures (the Site Investigation Proposal) has been submitted to and approved in writing by the City Council as local planning authority.

The measures for investigating the site identified in the Site Investigation Proposal shall be carried out, before development commences and a report prepared outlining what measures, if any, are required to remediate the land (the Site Investigation Report and/or Remediation Strategy) which shall be submitted to and approved in writing by the City Council as local planning authority.

Reason - To ensure that the presence of or the potential for any contaminated land and/or groundwater is detected and appropriate remedial action is taken in the interests of public safety, pursuant to policies DM1 and EN18 of the Manchester Core Strategy.

5) Prior to the occupation of the development hereby approved, a Contaminated Land Verification Report shall be submitted to the City Council as local planning authority.

Reason - To confirm that appropriate remedial action has been taken in the interests of public safety, pursuant to policies DM1 and EN18 of the Manchester Core Strategy.

6) The storage and disposal of waste shall be undertaken in accordance with the Waste Management Strategy received on 8 November 2024 and shall remain in situ whilst the development is occupied.

Reason - In the interests of visual and residential amenity, pursuant to Policy DM1 in the Manchester Core Strategy.

7) Prior to the commencement of the development hereby approved, a surface water drainage layout for the development site shall be submitted for approval in writing by the City Council, as Local Planning Authority. This shall include the following:

a) Evidence of drainage hierarchy adherence.
b) Finalised surface water drainage layout including all components, levels and connectivity.
c) Evidence of connection approval in principle.
d) Maintenance and management plan.

The development shall be constructed and completed in accordance with the approved details prior to the first occupation/use of the development.

Reason - To prevent the increased risk of flooding, to improve and protect water quality and ensure future maintenance of the surface water drainage system pursuant to Policies EN14 and EN17 of the Manchester Core Strategy.

8) Prior to the commencement of above ground works, details of the permeable surfacing to be used on the driveway and car parking spaces shall be submitted to and be approved by the City Council as Local Planning Authority. The development shall be implemented and thereafter maintained in accordance with the approved details.

Reason - To prevent the increased risk of flooding, pursuant to policy EN14 & EN17 of the Manchester Core Strategy.

9) The car parking hereby approved shall be laid out, demarcated and made available prior to the occupation of the residential accommodation hereby approved.

Reason - In the interests of pedestrian and highways safety and to ensure the satisfactory development of the site, pursuant to Policy DM1 in the Manchester Core Strategy.

10) Above-ground construction works shall not commence until details of the measures to be incorporated into the development to allow for the provision of a electric vehicle charging point have been submitted to and approved by the City Council as Local Planning Authority. The approved charging point shall be provided prior to first occupation and retained thereafter.

Reason - To promote sustainable development and in the interests of residential amenity, pursuant to Policies DM1 and EN16 in the Manchester Core Strategy.

11) In this condition "retained tree" means an existing tree, shrub or hedge which is to be as shown as retained on the following approved plans and particulars received on 7 March 2025; and paragraphs (a) and (b) below shall have effect until the expiration of 5 years from the date of the occupation of the building for its permitted use:

(a) No retained tree shall be cut down, uprooted or destroyed, nor shall any retained tree be topped or lopped other than in accordance with the approved plans and particulars, without the written approval of the local planning authority. Any topping or lopping approved shall be carried out in accordance with British Standard 5387 (Trees in relation to construction)

(b) If any retained tree is removed, uprooted or destroyed or dies, another tree shall be planted at the same place and that tree shall be of such size and species, and shall be planted at such time, as may be specified in writing by the local planning authority.
(c) The erection of fencing for the protection of any retained tree shall be undertaken in accordance with the approved plans and particulars before any equipment, machinery or materials are brought on to the site for the purposes of the development, and shall be maintained until all equipment, machinery and surplus materials have been removed from the site. Nothing shall be stored or placed in any area fenced in accordance with this condition and the ground levels within those areas shall not be altered, nor shall any excavation be made, without the written consent of the local planning authority.

Reason - In order avoid damage to trees/shrubs adjacent to and within the site which are of important amenity value to the area and in order to protect the character of the area, in accordance with policies EN9 and EN15 of the Manchester Core Strategy.

12) The hard and soft landscaping scheme approved by the City Council as local planning authority, shown on Landscape Drawing, no. 476 01 received on 7 March 2025, shall be implemented not later than 12 months from the date of completion of building works. If within a period of 5 years from the date of the planting of any tree or shrub, that tree or shrub or any tree or shrub planted in replacement for it, is removed, uprooted or destroyed or dies, or becomes, in the opinion of the local planning authority, seriously damaged or defective, another tree or shrub of the same species and size as that originally planted shall be planted at the same place.

Reason - To ensure that a satisfactory landscaping scheme for the development is carried out that respects the character and visual amenities of the area, in accordance with policies SP1, EN9 and DM1 of the Manchester Core Strategy.

13) Prior to the commencement of above ground works, detailed drawings of the boundary treatment, including the entrance gates and gate posts, shall be submitted to and approved in writing by the City Council as local planning authority. The approved boundary treatment scheme shall be implemented prior to the occupation of the development hereby approved and shall remain in-situ thereafter.

Reason - In the interests of residential amenity and pedestrian and highway safety, pursuant to policy DM1 in the Manchester Core Strategy.

14) No removal of or works to any hedgerows, trees or shrubs shall take place during the main bird breeding season 1st March and 31st July inclusive, unless a competent ecologist has undertaken a careful, detailed check of vegetation for active birds' nests immediately before the vegetation is cleared and provided written confirmation that no birds will be harmed and/or that there are appropriate measures in place to protect nesting bird interest on site. Any such written confirmation should be submitted to the local planning authority.

Reason - To ensure the protection of habitat of species that are protected under the Wildlife and Countryside Act 1981 or as subsequently amended in order to comply with policy EN15 of the Manchester Core Strategy.

15) Above grounds works shall not commence until details of biodiversity enhancements (bird boxes and bat bricks), including a timetable for their installation and maintenance regime, have been submitted to and been approved by the City Council as

local planning authority. The development shall be carried out in accordance with the agreed details.

Reason - To ensure the protection of habitat of species that are protected under the Wildlife and Countryside Act 1981 or as subsequently amended in order to comply with Policy EN15 of the Manchester Core Strategy.

16) Prior to any site clearance or construction works a Reasonable Avoidance Measures (RAM) method statement, in relation to badgers, hedgehog and other mammals, shall be submitted to and approved in writing by the City Council as local planning authority. The approved RAMS shall be implemented as part of the development and remain in place for the duration of the construction period.

Reason - To ensure the protection of habitat of species that are protected under the Wildlife and Countryside Act 1981 or as subsequently amended and to comply with policy EN15 of the Manchester Core Strategy.

17) The residential use hereby approved shall be used only as a private dwelling (which description shall not include serviced properties or similar uses where sleeping accommodation (with or without other services) is provided by way of trade for money or money's worth and occupied by the same person for less than ninety consecutive nights) and for no other purpose (including any other purpose in Class C3 of the Schedule to the Town and Country Planning (Use Classes) Order 1987 (as amended), or any provision equivalent to that Class in any statutory instrument revoking and re-enacting that Order with or without modification).

Reason - In the interests of residential amenity, to safeguard the character of the area and to maintain the sustainability of the local community through provision of accommodation that is suitable for private residential purposes and to ensure the achievement of the public benefit identified pursuant to policies SP1, DM1, EN3 , H1, H6 and H11 of the Manchester Core Strategy and the guidance contained within National Planning Policy Framework including section 16.

18) Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) Order 2015 (or any order revoking and re-enacting that Order with or without modification) no garages, outbuildings or extensions shall be erected other than those expressly authorised by this permission.

Reason - To ensure the satisfactory development of the site and in the interest of residential and visual amenity, pursuant to policy DM1 of the Manchester Core Strategy.

19) Prior to the commencement of above ground works, details of the measures to be incorporated into the development (or phase thereof) to demonstrate how Secured by Design accreditation will be achieved shall be submitted to and approved in writing by the City Council as local planning authority. The development shall only be carried out in accordance with these approved details. The development hereby approved shall not be occupied or used until the Council as local planning authority has acknowledged in writing that it has received written confirmation of a Secured by Design accreditation.

Reason - To reduce the risk of crime pursuant to policies SP1 and DM1 of the Manchester Core Strategy and to reflect the guidance contained in the National Planning Policy Framework.

20) Prior to the commencement of above ground works an Environmental Standards Statement, which addresses sustainability ratings and the provision of renewable energy within the development, shall be submitted for approval in writing by the City Council, as Local Planning Authority. The development shall be carried out in accordance with those details.

Within 3 months of the completion of the construction of the authorised development a verification statement shall be submitted to and approved in writing, by the City Council as local planning authority, confirming the incorporation of the specified measures, including dated photographic documentary evidence of the implementation and completion of required works.

Reason - In order to minimise the environmental impact of the development pursuant to policies SP1, T1-T3, EN4, EN6 and DM1 of the Manchester Core Strategy and the principles contained within The Guide to Development in Manchester SPD (2007) and the National Planning Policy Framework.

21) Prior to the commencement of development a Construction Management Plan shall be submitted to and approved by the Council. The Construction Management Plan shall contain the following:

- Details of Wheel Washing;
- Dust suppression measures;
- Compound locations where relevant;
- Location, removal and recycling of waste;
- Routing strategy and swept path analysis;
- Parking of construction vehicles and staff;
- Hours of working

The development shall be carried out in accordance with approved details.

Reason - To safeguard the amenities of the occupiers of nearby residential and commercial properties during the construction/demolition phase, pursuant to Policy DM1 in the Manchester Core Strategy.

22) Before first occupation, the first and second floor windows in the northern and southern elevations of the development hereby approved shall be obscurely glazed to a specification of no less than level 5 of the Pilkington Glass Scale or such other alternative equivalent and shall remain so in perpetuity.

Reason - To protect the amenity and living conditions of adjacent residential property from overlooking or perceived overlooking and in accordance with policies SP1 and DM1 of the Manchester Core Strategy.

## Informatives

**Building Regulations 2010**
This permission does not grant approval under Building Regulations.

**Street Naming & Numbering Requirements**
Manchester City Council is responsible for allocating street naming and numbering within Manchester for new developments or property conversions. Individuals or businesses are not permitted to allocate their own property numbers, building or street names.

If your development includes the creation of new dwellings (either new build or conversion of existing buildings), creation of new commercial properties or the subdivision of existing properties you must ensure that you request new or changes to addresses through us so they can be officially allocated and registered in accordance with the Public Health Act 1925 Sections 17-19 & Greater Manchester Act 1981 Section 22.

Failure to do this may result in difficulties for the developer/occupier when requiring services such as connections to utilities, phone lines and postal services and may delay your development.

## Notes

1. This permission refers only to that required under the Town and Country Planning Act 1990 does not include any consent or approval under any other enactment, byelaw, order or regulation.

2 If the applicant is aggrieved by the decision of the local planning authority to refuse permission or approval for the proposed development, or to grant permission or approval subject to conditions, they may appeal to the Secretary of State in accordance with Section 78(1) of the Town and Country Planning Act 1990 within six months of the date of the notice of the decision.

The Planning Inspectorate have introduced an online appeals service that can be used to make appeals online. This service is available through the gov.uk website – www.gov.uk/appeal-planning-decision The Inspectorate will publish details of your appeal on the internet. Alternatively If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000.

The Secretary of State has power to allow a longer period for the giving of a notice of appeal but they will not normally be prepared to exercise this power unless there are special circumstances that excuse the delay in giving notice of appeal.

If you intend to submit an appeal that you would like examined by inquiry then you must notify the City Council (planning@manchester.gov.uk) and the Planning Inspectorate (inquiryappeals@planninginspectorate.gov.uk) at least 10 days before submitting the appeal. Further details are on GOV.UK.

3. The statutory requirements are those set out in Section 79(6) of the Town and Country Planning Act 1990, namely Sections 70(1) and 72(1) of the Act.

4. If either the local planning authority of the Secretary of State refuses permission to develop land or grants it subject to conditions, the owner may claim that they can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990

5. In certain circumstances, a claim may be made against the local planning authority for compensation, where permission is refused or granted subject to conditions by the Secretary of State on appeal or on a reference of the application to them. The circumstances in which such compensation is payable are set out in Section 114 of the Town and Country Planning Act 1990.
