Comment Reasons:

Comment:I am writing to support the application to slightly extend opening hours at Something More Productive. I live locally and am a regular customer at the cafe. It is a brilliant addition to Withington's bars and cafes. It is enormously popular with local residents; a community hub as much as a cafe. Theo and his staff are highly attentive to the needs and wishes of the community, and I am confident that they will ensure the short extension to opening hours will not disrupt local residents in any way (It is worth noting, on this point, that the proposed opening hours fall well short of other comparable businesses in the area). This proposal, if accepted, will allow this important local cafe to continue providing an important service to the community.
