Comment Reasons:

Comment: Thank you for your consideration of the extended hours for SMP. This venue has become a regular place to spend a daytime or an evening for me and other local people. We are truly grateful for the effort taken by Theo and the team to provide a welcoming, unique, and entertaining space on our doorstep. The support for local musicians, artisans, and roasters is unmatched for a venue of its size. Upholding the extension to the hours allows this venue to survive and continue to provide the best of what independent small business can offer. I believe this shows the level of appreciation for local people too. The venue, even on the later nights, has always been entirely respectful of them, attracting small dedicated customers to their space. These customers share the ethos of the venue which is to support and enjoy each other's company in the community. I sincerely hope you can consider their appeal and keep the local scene alive.
