Stance: Customer made comments in support of the Planning Application

Comment Reasons:

Comment:I support the application for Something More Productive in Withington to extend their evening opening hours. I am a Withington local and a regular at the cafe. The cafe is a huge asset to Withington, and it has a great community feel. I know all the team at SMP are respectful and committed to maintaining a positive relationship with the surrounding community and ensuring the extended hours will not disrupt the neighborhood's peace and wellbeing.

I believe this change will further enhance the sense of community within the cafe and contribute to the vibrancy of Withington.
