Good morning,

Edge Lane Manchester M21 9JY - 139878/FO/2024

There are two separate sets of plans and I just want to clarify which plans are being put forward?

I have viewed the proposals and I can confirm that the majority of the trees on this site are self set multistemmed specimens, however, they do contribute to the local area.

Without the neighbour's consent, the customer has no right to remove the offsite tree (T8).

Please note, the trees on this site are not worthy of TPO status in my opinion.

Kind regards
