I am writing to express my full support for the application to extend the opening hours of this independent coffee shop. This venue is a valued part of the community, providing a welcoming space for people to meet, relax, and enjoy live music and food in a friendly and civilised setting.

The proposed later hours, particularly on weekends, would allow the business to continue offering its well-received evening events, which contribute positively to the local cultural scene. Unlike larger nightlife venues, this coffee shop operates in a relaxed and responsible manner, ensuring it remains a comfortable and enjoyable space for customers while being considerate of its surroundings.

Extending the opening hours would also provide important support to a small independent business, helping it thrive in a challenging economic climate. I believe this change would enhance the vibrancy of the area without causing disruption, and I hope the application is approved.
