

Option 2

The proposed corten steel cut-out featuring Manchester's coat of arms, iconic bees, and the New Town Square logo aims to blend historical symbolism with contemporary urban identity, celebrating Manchester's rich heritage while marking the significance of the New Town Square's contribution to the city's ongoing transformation. The coat of arms and bees celebrate Manchester's industrious heritage and community spirit, while the New Town Square logo signifies our latest residential development. Crafted from corten steel, the artwork embodies resilience and evolution, symbolising Manchester's ability to honour its past while embracing its future. This installation will serve as a powerful visual reminder of the city's rich history and dynamic growth, fostering a sense of pride and connection among residents and visitors alike.
