Stance: Customer objects to the Planning Application

Comment Reasons:

Comment:With the recently egregious decision to allow the demolition of B&M to make way for a development thats sole purpose is to turn a profit; this development should be rejected on the grounds that it will simply put further strain on existing resource i.e. doctor, dentist and school but also there no consideration given to the level of traffic and pollution that will be brought into the area following the permission to permit building on the existing b&m site.
