PARTITION WITH EDGE SYMMETRY S/G DOOR 2 OF 2	DETAILS	-	50489-OPN-ZZ-03-DR-X-0001A-P01	NEW DRAWING	Manufacturing drawing for the glazed screens. Drawing showing the detail and design for the glazing following request for more glazing.
SUPPORTING DOCUMENTS					
L3 MEETING ROOM GLAZING STRATEGY		230411_SUNLIGHT HOUSE_PLANNING RESPONSES (Response document with Level 3 subdivision)	241107_Sunlight House_L3 Meeting Room Glazing	RESPONSE DOCUMENT	Supporting response document describing the change following feedback and request for more glazing on Level 03. Glazed partition scope has been increased and plasterboard partitions scope has been reduced for overall meeting room visibility going back to the earlier proposals presented to MCC.
RECEPTION GLAZING STRATEGY		SLH-ANO-P0-00-DR-A-05100-P1 (GA Level 00 plan) and 230202_SUNLIGHT HOUSE_SUPPORTING DESIGN AND ACCESS STATEMENT_OFFICE REFURBISHMENT (from the original submission)	241024_Sunlight House_Planning_Cafe Glazing and Bulkhead	RESPONSE DOCUMENT	The original reception plan proposed a free-flowing corridor from the reception to the south lift lobby, separated from the cafe by a glazed partition along the full length. Supporting response document describing the addition of doors to the lift lobby and plasterboard sections. Following feedback and request for more glazing in the Reception. New proposal included for additional glazed screens in certain areas.
