Stance: Customer made comments in support of the Planning Application

Comment Reasons:

Comment: Hi there,

I am writing on behalf of my house, [REDACTED], to express our strong support for the extended opening hours of our beloved local cafe

We were deeply saddened and troubled to hear that the council are threatening reducing its opening hours, thus potentially jeopardising the business altogether.

This cafe not only plays an integral role in our community, but provides a welcoming space for everyone to connect, whilst contributing to our local economy.

The extended hours have been immensely beneficial for diversifying Withington and finally bringing some wholesome life to the area, fostering a vibrant sense of connection within our neighbourhood.

The thought of this cherished establishment potentially being forced to reduce its hours by the council, that we thought would be in support of a business and community space like this, is simply disappointing.

We respectfully urge the council to reconsider any actions that may threaten the viability of SMP, as its presence and operation are an invaluable asset to our local area.

Thank you for your time and attention to this matter. We trust that the council will continue to

support the businesses that make our community thrive.

Yours sincerely,
