Dear Jake

RE: 138626/JO/2023 Condition 22

Prior to the first occupation of the development hereby approved details of the physical security specifications outlined within the submitted Crime Impact Statement (Ref: 2002/1427/CIS/02 - version A) dated 13 August 2022, received on 02 December 2022 to be installed at the development shall be submitted to and approved in writing by the City Council. The development shall be carried out in accordance with the agreed details.

Having reviewed written confirmation of the security measures to be installed above development I am satisfied that the recommendations and physical security specifications included in the Crime Impact Statement has been broadly implemented and I would be supportive of the condition being discharged.

Yours faithfully
