The Coal Authority

Permit to Enter or Disturb Coal Authority Interests

Permit 26990

Name and Address of Permit Holder:

Manchester City Football Club Ltd
Etihad Stadium
Etihad Campus
M11 3FF

Site Location:

Etihad Stadium North Stand
Ashton New Road
Manchester
M11 3FF

This certificate hereby grants the above named Permit Holder a Permit to carry out:-

Installation of 36 rock-socketed bored and cast-in-situ piles to a total depth in the order of 30m, as required for foundation design, to support the construction of a new stadium stand all within the Authority's interests at the identified site location above as shown on the Grant Permit Boundary (overleaf) for the period of **12 months** from the granted date shown below. *The granting of this Permit does not constitute advice given by the Authority in relation to the proposed operations. It is the Permit Holder's responsibility to obtain appropriate health, safety, environmental, technical and legal advice.*

Conditions:

- *Manned entry (i.e.) into mine entries/workings) is strictly prohibited.*
- *Gas Monitoring for CO, CH_4, CO_2, O_2, H_2S at borehole and piling rig*
- *Operators undertaking the work must be in possession of this certificate and the Permit boundary plan at the time of works*
- *All piles are to be set at a minimum depth of 6.0m (proposed socket length) below any encountered coal seams*
- *Appropriate working methodology to seal the ground and eliminate new gas migration pathways from being created*

Signed: Leigh Sharpe Granted Date: ***29th June 2023***
