Comment Reasons:

Comment: I am in full support of this application. This establishment is a great asset to the community, providing another space where people can meet up and hang out in the evenings. It enriches the local area with culture, through music nights and other activities. It is essential that we support these local businesses, and keep chains off of our high street. We have already lost one fantastic local business (cafe blah) in withington, we do not need to loose another. These later opening hours are vital for this little cafe. Due to the nature and size of the establishment, I do not believe it makes disruption for the local area and houses. Withington is a fantastic little community, full of independent businesses, and we need to support anyone who promotes that.
