Refer to Façade Type Elevations (21000) series) drawings for exact locations of each façade type.	External finish and colour (all finishes and colours subject to planning condition approval and discharge)	Internal finish and colour
EWS-01	Vertical Curtain Walling SSG (unitised) SSG vision glazed curtain walling. External capless joints. Alternating bronze anodised articulated vertical fins and spandrel panels. Spandrel Panel.	'Honeycomb' façade to 02-05 office floors	Spandrel - opaque glass internal frit colour: RAL 7011 (dark grey / blue) Architectural Fin: Aluminium finish: anodised Colour: Anodised Analok 543 (bronze) Door frames / trims Aluminium finish: anodised Colour: Anodised Analok 543 (bronze) Uppermost / perimeter roof cap Aluminium finish: PPC Colour: RAL 7011 (dark grey / blue)	Finish: PPC Colour: RAL 7011 (dark grey / blue) (60/40 - Matt/Gloss) Terrace Mullions Finish: PPC Colour: RAL 7011 (dark grey / blue) (60/40 - Matt/Gloss)
EWS-02	Vertical Curtain Walling (Stick) Capped vision glazed curtain walling. Based stacked systems are proposed. Spandrel Panel.	Ground and level 1	Capping & Door frames/trims Aluminium finish: anodised Colour: Anodised Analok 543 (bronze) Spandrel – opaque glass internal frit colour: RAL 7011 (dark grey / blue)	Finish: PPC Colour: RAL 7011 (dark grey / blue) (60/40 - Matt/Gloss)
EWS-02a	Vertical Curtain Walling (Stick) Silicon glazed curtain walling. Based stacked systems are proposed. Spandrel Panel.	Ground and level 1	Silicone bonded finish externally in lieu of capping. Door frames/trims Aluminium finish: anodised Colour: Anodised Analok 543 (bronze) Spandrel – opaque glass internal frit colour: RAL 7011 (dark grey / blue)	Finish: PPC Colour: RAL 7011 (dark grey / blue) (60/40 - Matt/Gloss)
EWS-02b	Vertical Curtain Walling with Shadowbox and or other feature highlight. Etail to be confirmed in later stages with input from client/occupier.	Level 1	TBC	TBC
EWS-03	Vertical Curtain Walling SSG (unitised) SSG vision glazed curtain walling. External capless joints.	Level 06 office.	Spandrel - opaque glass internal frit colour: RAL 7011 (dark grey / blue) Door frames / trims Aluminium finish: anodised	Finish: PPC Colour: RAL 7011 (dark grey / blue) (60/40 - Matt/Gloss) Terrace Mullions

			Colour: Anodised Analok 543 (bronze) Uppermost / perimeter roof cap Aluminium finish: PPC Colour: RAL 7011 (dark grey / blue)	Finish: PPC Colour: RAL 7011 (dark grey / blue) (60/40 - Matt/Gloss)
EWS-04	Louvre	Loading bay	Aluminium finish: PPC Colour: Y2206F Steel Bronze 1 reference is within the Interpon D2525 Anodic Collection.	N/A
EWS-05	Blockwork wall	Gridline 10 – Link facade	N/A	N/A
EWS-06	Acoustic louvre	To plant areas	Aluminium finish: anodised Colour: Anodised Analok 543 (bronze)	N/A
EWS-07	Unitised Curtain Wall Panel/Cassette with render finish	201 Deansgate Level 02-06	Render finish to best match the GRC – Pura Facades, Cotton Ferro Light. Supplier to propose dryvit samples.	N/A
EWS-07a	Curtain Wall Louvres with stone finish	201 Deansgate Level 02-06	TBC	N/A
EWS-08	Vertical Curtain Walling SSG (unitised) SSG vision glazed curtain walling. External capless joints. Alternating bronze anodised articulated vertical fins and spandrel panels. Spandrel Panel.	'Honeycomb' façade to tower floors. Different bay ratios and floor to floors to podium.	Spandrel - opaque glass internal frit colour: RAL 7011 (dark grey / blue) Architectural Fin: Aluminium finish: anodised Colour: Anodised Analok 543 (bronze) Uppermost / perimeter roof cap Aluminium finish: PPC Colour: RAL 7011 (dark grey / blue)	Finish: PPC Colour: RAL 7011 (dark grey / blue) (60/40 - Matt/Gloss)
EWS-09	Vertical Curtain Walling SSG (unitised) SSG vision glazed curtain walling. External capless joints. The design includes a 'double transom' at floor slab levels.	Gable end tower floors	Spandrel - opaque glass internal frit colour: RAL 7011 (dark grey / blue) Door frames / trims Aluminium finish: PPC Colour: RAL 7011 (dark grey / blue) Uppermost / perimeter roof cap Aluminium finish: PPC Colour: RAL 7011 (dark grey / blue)	Finish: PPC Colour: RAL 7011 (dark grey / blue) (60/40 - Matt/Gloss) Terrace Mullions Finish: PPC Colour: RAL 7011 (dark grey / blue) (60/40 - Matt/Gloss)
EWS-10	Rainscreen	Curtain Wall to 'neck'	Aluminium finish: PPC Colour: RAL 7011 (dark grey / blue)	N/A
EWS-11	Vertical Curtain Walling SSG (unitised) SSG vision glazed curtain walling. External capless joints. The design includes a 'double transom' at floor slab levels.	Curtain Wall to penthouse	Spandrel - opaque glass internal frit colour: RAL 7011 (dark grey / blue) Door frames / trims Aluminium finish: anodised Colour: Anodised Analok 543 (bronze) Uppermost / perimeter roof cap Aluminium finish: anodised Colour: RAL 7011 (dark grey / blue)	Finish: PPC Colour: RAL 7011 (dark grey / blue) (60/40 - Matt/Gloss) Terrace Mullions Finish: PPC Colour: RAL 7011 (dark grey / blue) (60/40 - Matt/Gloss)

EWS-12	Rainscreen Aluminium with bronze finish	Bootle street and 201 Deansgate level, 00-02	Aluminium finish: PPC Colour: Y2206F Steel Bronze 1 reference is within the Interpon D2525 Anodic Collection.	N/A
ESW-12a	Rainscreen Aluminium Louvres with bronze finish	201 Deansgate level 00	Aluminium finish: PPC Colour: Y2206F Steel Bronze 1 reference is within the Interpon D2525 Anodic Collection.	N/A
EWS13	Withdrawn	N/A	N/A	N/A
EWS 14	Column and header wrapping to base of Podium GRC panel concealed fixings on helping hand brackets back to structural column.	Found at level 00-01 at columns and header fascia to surround of building.	Pura Facades – Cotton Ferro Light.
