I fully support the extended opening hours of SMP. It's a fabulous venue and gathering space for locals in Withington. The food is great and coffees are the best in Withington. Theo sources local food wherever possible supporting local makers and suppliers. SMP organises a lot of lovely events such as a pudding club, Christmas carols, barrista training, classical music evenings, live jazz, and I hear a run club is on the cards. Amazing.

SMP means a lot to me especially, as Theo has been supporting [REDACTED]. Together with [REDACTED] and they get a chance once a month to play at SMP. The event is civilised, friendly and relaxed. They always finish on time. SMP should be allowed to stay open for a few extra hours to continue to do the amazing work it is doing for the local community.

I would like to add that the community has issues with one local who regularly revs his engine and drives up and down the road outside SMP, often at 1 or 2 in the morning. This is more disruptive to the community than anything SMP does. In fact SMP is a community builder and we are so lucky to have Theo and his team in our community.

Thanks, [REDACTED]
