Stance: Customer made comments in support of the Planning Application

Comment Reasons:

Comment: Something More Productive have been a breath of fresh air for Withington and become a vital part of our local community, culture and economy, not just in the immediate term but with regards the people and businesses that their continued success as a responsibly and ethically run business will attract

Every effort should be made by MCC to support their viability as a business and grant the hours of operation being sought.

In Cafe Blah we have recently seen one much loved community hub put out of business by unscrupulous landlords, and a unit left vacant ever since. It would be to Withington's significant detriment if we lost SMB due to them not being allowed a modest extension of their hours of operation by the Council
