Notes:

Please note that dimensions provided in this drawing are not to be taken as an accurate measurement of the windows for manufacturing purposes. Dimensions have been provided for illustration purposes of approximate sizes only to assist in the pricing of windows only.

The contractor is to carry out a full site measure of all windows, which the results of are to be reviewed by the contract administrator prior to approval.

Glazing Panel Key for Doors and Windows

- Supply and Install 28mm Double Glazing Units.
- Supply and Install 43mm Triple Glazing Units
- Supply and Install solid insulated panels.

NOTE: GW.3 is to feature a Raynaers Slimline 68 Aluminum Framing system as opposed to the Concept Wall System used on other glazed wall sections.
