

The existing general arrangement base drawings (plans, sections and elevations) are based upon 2010 data and in some instances may not reflect the current arrangement.

Any discrepancies/irregularities must be reported to the CA immediately.

### Limitations

The drawings are based upon existing data and no concealed and/or hidden spaces have been exposed and/or opened up for inspection unless specifically highlighted. Therefore, the arrangement and interfacing illustrated across details are purely indicative/approximate only. The accuracy of the survey data graphically presented cannot be confirmed. These drawings are for tender purposes only.
