Power Hall – 'Arrival Sign' Listed Building Consent

Dear Sir / Madam,

Please find attached documentation relating to Listed Building Consent for the 'Arrival Sign' for the Power Hall, of the Science and Industry Museum.

In 2018, application number 121832/LO/2018 was submitted and approved, which included the removal of outdated signage and installation of rebranded signage. The outdated signage was removed but never replaced as upcoming Masterplan works were scheduled. This new application outlines the proposal to include the Power Hall in the rest of the site's signage and wayfinding strategy, with a new 'Arrival Sign'.

Documentation includes:
Design and Access Statement
Heritage Statement
Site and location plans
Fixing details

Should you require anything further, please do not hesitate to contact me.

Kind regards,
