Delegated officer report for planning application

Application no. 142204/FH/2025
Date registered valid: 19 February 2025
Proposal: Roof alterations to existing single storey side and rear extension, including rooflights
Address: 7 Rippenden Avenue, Manchester, M21 9SS
Ward(s): Chorlton Ward

Applicant: Mrs Nicolson
Agent (if any): Mr Steven Mellor William McCall
Case officer: Holly Wright
Tel: 0161 219 6381
Email: holly.wright@manchester.gov.uk

Recommendation: Approve
Date of recommendation: 10 April 2025

Application details

Type of application: Full Householder Application

Development type: Householder

Date of site visit: 18 March 2025

Standard consultations: No consultations have been printed and sent.

Neighbour notifications: Printed: 3 March 2025 Expired: 24 March 2025

Site notice: No site notice has been produced

Press advert: No press advert had been published

Departure from Development Plan: No

Environmental Statement: Not required

Description of site/building

Listed building: Not applicable

Conservation area: Not applicable

Tree Preservation Order: Not applicable

The application relates to a two-storey semi-detached C3 dwellinghouse of cream-coloured render with a red concrete tile hipped roof. The property features white uPVC windows, including a two-storey rounded bay to the front, a modest front garden and tarmacadam driveway space bordered by a low-level stone wall and timber fencing, a single storey side and rear extension, and a detached outbuilding situated within a spacious rear garden.

Description of area

Rippenden Avenue is a residential cul-de-sac situated within the Chorlton ward of Manchester, close to Ryebank Fields, Scott Avenue Allotments, and Firswood railway station. The area is predominantly residential in terms of its character, consisting of terraced and semi-detached dwellinghouses, and benefits from its proximity to public outdoor amenity and green spaces.

Description of development

The applicant is seeking permission for roof alterations to existing single storey side and rear extension, including rooflights.

Planning history

F11791 - Extension of dwellinghouse to form a dining room, bathroom and additional storage space in roof space – Approved (04.01.1980).

080054/FH/2006/S1 - Erection of a single storey side extension to form additional living – Approved (16.08.2006).

Consultations & Notification Responses

Local residents, as per appendix 1 – no comments or objections received.

Policies

The following policies are considered relevant in the consideration of this application.

Unitary Development Plan (UDP) – The UDP has been superseded by the Core Strategy Development Plan, but certain policies are still considered of relevance:

- Policy DC1 – Residential Extensions

The Manchester Core Strategy – Development Plan Document 2012-2027 (“the Core Strategy”) was adopted by the City Council on the 11th of July 2012:

- Policy DM1 – Development Management
- Policy SP1 – Spatial Principles

The National Planning Policy Framework (NPPF, 2024)

- Chapter 12 – Achieving Well-Designed Places

Places for Everyone - is a long-term plan of nine Greater Manchester districts for jobs, new homes, and sustainable growth. It has been published by the GMCA on behalf of the nine districts and took effect and became part of the statutory development plan on March 21, 2024.

- Policy JP-P1: Sustainable Places

Submitted site and location plan

Submitted proposed plans and elevations

Issues

Policies SP1 and DM1 of the Manchester Core Strategy seek to ensure that new development enhances or creates character, protects, and enhances the built environment; and that the design, scale, and appearance of the proposed development is appropriate to its context. Policies DC1.1, DC1.2, DC1.3 and DC1.4 of the Unitary Development Plan for the City of Manchester relate specifically to residential extensions and set out a number of criteria against which proposals for extensions will be assessed. Although these latter policies are now of some age, they are consistent with the guidance in the National Planning Policy Framework which seeks a high standard of design in new developments to ensure a good standard of amenity for all existing and future occupiers.

Principle – the principle of installing roof alterations to an existing single storey side and rear extension (including rooflights) to provide improved living accommodation for a family dwellinghouse is acceptable given that many individuals prefer to extend and alter their homes to meet changing household needs rather than move. However, consideration must be given to the proposal's siting, scale and massing, appearance and impact upon visual amenity, residential amenity, waste storage, and parking.

Siting, scale, and massing – the proposal includes altering the roof of the existing single storey side and rear extension located to the east and south of the host dwellinghouse from part-pitched / part-flat to dual pitch. This would involve increasing the height of the extension to a total of 3.586m with eaves measuring to 2.43m in height. The footprint of the extension would be unaffected by the works.

The overall siting, scale, and massing of the proposal is considered to be acceptable as the extension would remain subservient to the host dwellinghouse in terms of its dimensions, would avoid resulting in an 'excessively large or bulky' addition to the property, and would not cause undue harm to the residential amenity of neighbouring occupiers in terms of introducing an overbearing feature into the area. Sufficient private outdoor amenity space would also be retained to the rear.

The proposal therefore accords with policies DM1 and SP1 of the Manchester Core Strategy.

Appearance and visual amenity – the submitted plans indicate that the roof alterations would utilise render to match the existing dwellinghouse with Marley Edgemere interlocking slate roof tiles in old English dark red or equivalent (to match the appearance of the existing roof of the host dwellinghouse). It would feature 1no. skylight to its front-facing roof slope and 3no. skylights to its rear-facing slope.

The proposal is relatively standard in terms of its design and scale for developments of this type and would be in-keeping with the existing precedent of residential extensions in this locale. Sited at the side and rear of the property, elements of the proposal would be visible within the street scene. However, its use of matching materials should provide a blended appearance with the host dwellinghouse, ensuring that it does not form a prominent visual feature. Hence, the overall character of the property and its surrounding area should not be significantly harmed by these works.

The design and appearance of the extension therefore accords with saved policy DC1 of the Unitary Development Plan for the City of Manchester, policies DM1 and SP1 of the Manchester Core Strategy and chapter 12 of the National Planning Policy Framework.

Residential amenity – given that the roof alterations would not substantially increase the scale and massing of the existing extension, it is considered that it should not cause issues associated with overshadowing, loss of light, loss of privacy, or loss of outlook, nor should it introduce an overbearing presence into the area.

The proposal therefore accords with saved policy DC1 of the Unitary Development Plan for the City of Manchester and policies DM1 and SP1 of the Manchester Core Strategy.

Parking – the current parking arrangements would be unaffected by the proposal.

Waste – the current waste storage arrangements would be unaffected by the proposal.

Other matters – the proposal also includes the following elevational alterations:

- Replacement of the existing windows and doors in the rear elevation of the extension with a set of bi-folding doors and 1no. window.

These alterations are considered acceptable given their minimal impact upon the visual and residential amenity of the area, sited at the rear of the property, away from the street scene.

Conclusion – given the above issues, it is considered that the proposal is acceptable in terms of its principle, siting, scale and massing, appearance, impact upon visual and residential amenity, waste storage and parking as it broadly complies with saved policy DC1 of the Unitary Development Plan for the City of Manchester, policies DM1 and SP1 of the Manchester Core Strategy and chapter 12 of the National Planning Policy Framework.

Other Legislative Requirements

Equality Act 2010

Section 149 (Public Sector Equality Duty) of the Equality Act 2010 requires due regard to the need to: Eliminate unlawful discrimination, harassment and victimisation and other conduct prohibited by the Act and; Advance equality of opportunity between persons who share a protected characteristic and persons who do not share it. The Equality Duty does not impose a legal requirement to conduct an Equality Impact Assessment. Compliance with the Equality Duty involves consciously thinking about the aims of the Equality Duty as part of the process of decision-making.

Human Rights Act 1998 considerations

This application needs to be considered against the provisions of the Human Rights Act 1998. Under Article 6, the applicants (and those third parties, including local residents, who have made representations) have a right to a fair hearing and to this end the local planning authority must give full consideration to their comments.

Protocol 1 Article 1, and Article 8 where appropriate, confer(s) a right of respect for a person's home, other land and business assets. In taking account of all material considerations, including Council policy as set out in the Core Strategy and saved policies of the Unitary Development Plan, the Director of Planning, Building Control & Licensing has concluded that some rights conferred by these articles on the applicant(s)/objector(s)/resident(s) and other occupiers and owners of nearby land that might be affected may be interfered with but that that interference is in accordance with the law and justified by being in the public interest and on the basis of the planning merits of the development proposal. She believes that any restriction on these rights posed by the recommendation given is proportionate to the wider benefits of and that such a decision falls within the margin of discretion afforded to the Council under the Town and Country Planning Acts.

Recommendation: Approve

Article 35 Declaration

Officers have worked with the applicant in a positive and proactive manner based on seeking solutions to problems arising in relation to dealing with the planning application. No significant problems have arisen during the consideration of this application and the application has been determined in a timely manner, in accordance with the policies with the Development Plan.

Condition(s) to be attached to decision for approval OR Reasons for recommendation to refuse

1) The development must be begun not later than the expiration of three years beginning with the date of permission.

Reason - Required to be imposed pursuant to Section 91 of the Town and Country Act Planning Act 1990.

2) The development hereby approved shall be carried out in accordance with the following documents:

'Site & Location Plans', numbered '01/25/07 2 of 2 Rev A', stamped as received by the City Council as Local Planning Authority on the 19th March 2025.

'Existing & Proposed Plans & Elevations', numbered '01/25/07 1 of 2 Rev B', stamped as received by the City Council as Local Planning Authority on the 10th April 2025.

Reason - To ensure that the development is carried out in accordance with the approved plans, pursuant to saved policy DC1 of the Unitary Development Plan for the City of Manchester and policies SP1 and DM1 of the Manchester Core Strategy.

3) The materials to be used on the external surfaces of the extension hereby permitted shall match those of the existing dwellinghouse in type, size, colour and texture.

Reason - To ensure the appearance of the building to be extended is not adversely affected by the materials to be used in the construction of the extension, pursuant to saved policy DC1 of the Unitary Development Plan for the City of Manchester and policies SP1 and DM1 of the Manchester Core Strategy.
