Comment Reasons:

Comment: SMP is a business which is key to the community. We love the diverse range of events it hosts going beyond another daytime cafe. It's actively what brings me in to Withington from Stretford and encourages me to spend time in the town and spend money at other independents in Withington.

Each day we're seeing more and more local business close under the pressure of rising costs and facing council red tape, and I ask you listen to what the actual community is asking for and act appropriately.

They application has an error they are asking to be open until 00:00 Thurs-Saturday not 01:00.
