Comment: Dear all,

My name is [REDACTED] and I am a Withington resident. I am writing in support of the Something More Productive ("SMP") cafe extension of opening hours application (141642/JO/2024).

I believe that extending SMP's opening hours will be of great benefit to Withington Village. SMP's jazz music and atmosphere add character and variety to the area, which I believe will bring significant social and economic benefits, especially at a time when other desperately needed venues are closing their doors due to economic pressures. Extending the opening hours will mean more safe social activity, more local jobs and a more vibrant local community.

Kind regards,

[REDACTED]
