Comment Reasons:

Comment: This establishment is a positive addition to the community and I support the application. I am a close neighbour and I am unaware of any noise or disruption from this premises at previous late night opening. There are far more problematic businesses a stone's throw away that have no problem in securing late licenses. I can't understand why anyone close by who would have been opposed to this who knows the business. The council need to focus on antisocial behaviour, speeding and littering from cars since the LTN was scrapped and problematic HMO expansion.
