Stance: Customer objects to the Planning Application

Comment Reasons:

Comment:Me and my family used to live in Burnage and I know the community mosque has been absolutely amazing in serving the diverse community in Burnage.

It would be a shame to lose this valuable community service, particularly when we are also losing the B&M which has been very beneficial as a local amenity for everyone in the area, including when I was resident.

Please could any approval be reconsidered to protect the interests of the community, maintaining our Green spaces and community hubs, as well as surrounding areas.
