RE: Invalid letter for application 141051/JO/2024 (White Moss Road, Dam Head Drive, Manchester)

Dear Sir/Madam,

Application number: 141051/JO/2024

In response to your email dated 01/10/24, please find our below response indicating the proposed amendments that we are now seeking to the original planning permission.

Proposal: Variation of condition numbers: 2 (Specified plans), 5 (permitted development rights), 7 (highway works), 9 (car parking), 15 (air quality) and 16 (boundary treatments) from planning permission reference 135802/FO/2022 to allow for removal of pedestrian and vehicle gates, changes to landscaping and boundary treatment and stopping up on Wanley Walk footpath to extend gardens, graphical changes for the identification of unit types to the site plan, PV panel layout changes and the discharge of condition 17 (landscaping) attached to 135802/FO/2022.

The above changes have been agreed with Katie Raw prior to the application.

I trust the above details are satisfactory for your records. However, please do not hesitate to contact me should you require any further information.

Yours faithfully,

Cameron Minns
