Comment Details

Commenter Type: Member of the Public

Stance: Customer made comments neither objecting to or supporting the Planning Application

Comment Reasons:

Comment:I am pleased that the land will be used for housing. However, when I saw the plans a few months ago I felt that there is not enough car parking space. It is likely that each household may ultimately have 2 or 3 vehicles and there does not appear enough space on that land and so car parking will expand to local roads like Mauldeth Road causing congestion.
